As a condition of your treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from patients for the costs incurred in their care. Financial responsibility on the part of each patient must be determined before treatment. All emergency dental services and any dental services performed without previous financial arrangements must be paid for in cash at the time services are rendered.

Patients who carry dental insurance understand that all dental services are charged directly to the patient and that he or she is personally responsible for payment of all dental services. This office will help prepare the patient's insurance forms and assist in making collections from insurance companies, and will credit any collections from insurance to the patient's account. This dental office cannot render services on the assumption that the resulting charges will be covered by insurance.

I understand that responsibility for payment for dental services provided in this office for myself or my dependents is mine, due and payable at the time services are rendered unless other arrangements have been made. In the event payment is not received by the agreed upon dates, I understand that a monthly 1.5% finance charge (18% APR) or \$4 rebilling fee, whichever is greater, may be added to my account. In the case of default of payment, I will additionally pay any collection costs and reasonable attorney fees incurred to effect collection on this account. In consideration for the professional services rendered to me by this practice, I agree to pay the charges for the services at the time of treatment, or within five (5) days of billing if credit is extended. I further agree that the charges for services shall be as billed unless objected to, by me, in writing, within the time payment is due. I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder. I understand that the fee estimates for dental care can only be extended for a period of six months from the date of consultation.
